MYC Update

The Mayor's Youth Council met for the first time on Wednesday, September 5th with inspiring success. There were over 35 students in attendance, which is just short of the final membership number at the end of last year. The MYC also met on Tuesday, September 18th to form subcommittees, develop a list of priorities for the work ahead and nominate students to serve as officers.

Students involved in the MYC this year will be very active, either by taking part in the planning of the Youth Town Hall, speaking to the Mayor and Town Council about issues concerning the Town's youth or completing community service projects that will aid the members of our community. To learn how you can get involved, speak to an MYC member, or try calling Corey Hromek at 816-5170.
